

MEET THE NEW BOARD

Thanks for joining us at the Board Elections last month! We have a great group this year, though we can use more volunteers. Meet the new Board and learn how you can join us on PAGE 2

CLUBHOUSE RENTALS

Now is the time to rent the clubhouse for 2020! Reserve your spot ahead of time so you get the date you want. Visit www.lgca.info and click on the "Clubhouse Rentals" Tab.

OUTSIDE RENTALS

Outside rentals are reinstated! Non-Lakewood residents can now rent the clubhouse, but must be sponsored by LGCA Members. More information will be online later this month.

ELECTIONS

The clubhouse will once again be a polling location in 2020. Watch for your voter guide in the mail to be informed on any changes to voting procedures. **NOTE:** Members may have **limited access** to the Clubhouse from February 26 to March 6 due to voting.

FLOWERS FOR SALE

Purchase Valentine's Day flowers from us, and get free delivery on February 14th! More information on PAGE 3

Community events are fun, but take work to make them happen. We need an Event/Entertainment Chairperson. Will you join us on the Board? Say "YES!"

SMALL BUSINESS ADS

If you live in the Gardens and you have a small (or large) business, we would like to **advertise your business in the Bulletin (at no cost to you)** next month. Think of it as a sort of neighborhood "yellow pages" or "Yelp" for local businesses. This is a **one-time offer**, so take advantage!

Send your name, contact information and no more than three sentences letting us know about your services. Send to: **BulletinLGCA@gmail.com** by **Monday, February 24th**.

Don't miss an opportunity to tell someone how much they mean to you. Send them lovely flowers and a hand-made card from the LGCA! Order online!

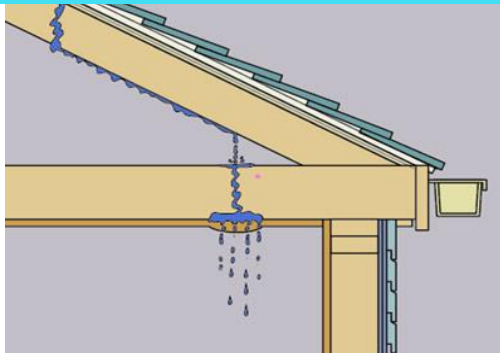

SAVE THE DATE

The Fireworks Stand is **THE biggest fundraiser** for the LGCA. The money raised on those four days in July is what keeps the lights on all year long! So, plan to join us on July 1, 2, 3, and/or 4th this year. Sign up online today!

Our roof is still leaking. We are working with several companies to address the situation and get it fixed.
