Lakewood Gardens Civic Association

Vol. 76, Issue No. 4 | April 2022 | www.lgca.info

Our garden along Lakewood Blvd. is looking fertile. Last month we received and planted a number of lovely plants donated to us by H & H Nursery. They have agreed to make a donation of plants to the LGCA on an annual basis and we are so thrilled for their support as we work to improve the facility and grounds. H & H Nursery is a family-run nursery and garden center located just across the street from the LGCA. Please remember them for your gardening needs. You can visit them in person at 6220 Lakewood Blvd. Lakewood, CA 90712; call (562) 804-2513; or check out their website: www.hhnursery.com

Volunteers are needed to staff the LGCA Fireworks Stand

This is our biggest fundraiser of the year and it takes many volunteer hours to be successful. We will need people to help with set-up and tear-down, to run the booth and to act as overnight security; guarding the stand, the fireworks and the equipment.

Volunteers are needed **June 30 - July 5**. Any time you can give to support your LGCA Clubhouse is appreciated.

Email PresidentLGCA@gmail.com if you can help.

Pool Deck Improvements are on the way

At the LGCA March board meeting, the executive board and committee chairs voted on and approved a project to install artificial turf on the north end of the pool deck. Not only will this create a lush feeling to our pool area but it will also enhance safety. The turf will even out the area of the pool deck that currently has cracks that can cause a trip hazard. It will also be safer for our kids as they play around the pool.

A big thank you to Clubhouse maintenance and repair chairperson, Troy House for the many hours he spent researching and meeting with turf contractors to secure the best bids for the project.

We will keep you posted once we have a start date for the project as pool use may be impacted during the installation period.
