

Clubhouse Open for Rentals

We are **currently taking rentals for the clubhouse hall and pool**. There have been a few successful events recently, where guests have socially distanced and adhered to all the rules.

Remember, the hall and pool are big enough so your guests can spread out! **Make plans** to see your family and friends again at the Clubhouse, and enjoy the warm weather by the pool.

Visit <https://www.lgca.info/Clubhouse-Rental> for more information and rules for renting during this time.

The hall is available for rent by members and non-members, including Lakewood residents and those who live in the surrounding areas. **Visit us online to learn more!**

Roof Update

The **roof has been fixed** and we should not experience any more leaks! **Thank you for being patient** as we closed the Clubhouse for a few days. Know that we are working to maintain and improve the facility for the enjoyment of LGCA Members and the community. We are a volunteer-run organization with other obligations, so we appreciate your support. If you would like to help us, reach out to a Board Member and **share your time and talents**.

Heatwave

Using the **Clubhouse pool** is a wonderful way to stay cool on hot days. Just be sure to stay hydrated, watch your children and follow all pool rules.

You may have noticed that there is no diving board in the pool area. **This is for safety reasons!** Please **DO NOT** create your own makeshift diving board by jumping off a chair or table. IT IS NOT SAFE to do so and is against Clubhouse rules. Remember that the Clubhouse is monitored by cameras, and you would not want to put your membership in jeopardy by making unsafe choices. It's simple... follow the rules!

We need your good ideas and help with our marquee sign. It's held up nicely for many years, especially because we've had volunteers who have fixed it and made it work.

But we want to make it look a lot better than what it looks like now. Do you know how we can fix it in a budget-friendly and creative way? Send us your ideas and thoughts!

If we use your idea or help, you will be entered into a drawing for a free rental!

NOTE: We do NOT have the budget for an electronic marquee.
